- 8.1 Modernization update- Kris Ingrao shared that the painting in the Cafeteria is progressing and half completed. We now have orange pillars. It will take two to three weeks for the exterior to be finished. We have replaced the H2O damaged material and removed chain link fencing forming for the driveway. The concrete and landscaping have started. On Friday, we will not have power, will reconnect in the AM. The blockwall has started and the bus drive on the south side has formed, cement will get poured. The office remodel is coming together, drop ceiling LED,

carpet, bathrooms retiled, paint and fixtures will be worked on next week. The carpet is three quarters finished, classroom cabinets are painted so far there is new hardware. Our kitchen supplies are in and waiting to be delivered. The A/C and ceiling are coming in next, then floors and walls. On the 15th, electronics will be integrated and a large screen.
